### **Tips on Finding More-Affordable Clothing and Furniture**

It is important to note that Dane County has over 100 thrift stores with a variety of clothing and furniture. Thrift stores can offer budget-friendly alternatives and can be found by searching online, some example keyword searches are: "Thrift Stores near me", "Secondhand stores near me", "Resale Shops", "Gently used furniture/clothing stores". Other options may be available on social media marketplaces or on websites/apps like [www.nextdoor.com](http://www.nextdoor.com). As always, use caution when navigating the web, protect your personal information and be cautious of scams.
