Form **SSA-827** (03-2020) Page 2 of 2

Explanation of Form SSA-827, "Authorization to Disclose Information to the Social Security Administration (SSA)"

We need your written authorization to help get the information required to process your claim, and to determine your capability of managing benefits. Laws and regulations require that sources of personal information have a signed authorization before releasing it to us. Also, laws require specific authorization for the release of information about certain conditions and from educational sources.

You can provide this authorization by signing a form SSA-827. Federal law permits sources with information about you to release that information if you sign a single authorization to release all your information from all your possible sources. We will make copies of it for each source. A covered entity (that is, a source of medical information about you) may not condition treatment, payment, enrollment, or eligibility for benefits on whether you sign this authorization form. A few States, and some individual sources of information, require that the authorization specifically name the source that you authorize to release personal information. In those cases, we may ask you to sign one authorization for each source and we may contact you again if we need you to sign more authorizations.

You have the right to revoke this authorization at any time, except to the extent a source of information has already relied on it to take an action. To revoke, send a written statement to any Social Security Office. If you do, also send a copy directly to any of your sources that you no longer wish to disclose information about you; SSA can tell you if we identified any sources you didn't tell us about. SSA may use information disclosed prior to revocation to decide your claim.

It is SSA's policy to provide service to people with limited English proficiency in their native language or preferred mode of communication consistent with Executive Order 13166 (August 11, 2000) and the Individuals with Disabilities Education Act. SSA makes every reasonable effort to ensure that the information in the SSA-827 is provided to you in your native or preferred language.

Privacy Act Statement Collection and Use of Personal Information

Sections 205(a), 223(d), and 1631(d) of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from making an accurate and timely decision on your claim that could result in a denial or loss of benefits.

We will use the information you provide to determine your eligibility or continuing eligibility for benefits, and your ability to manage any benefits that you currently receive.

We may also share your information for the following purposes, called routine uses:

- 1. To State audit agencies for auditing State supplementation payments and Medicaid eligibility considerations:
- 2. To third party contacts where necessary to establish or verify information provided by representative payees or payee applicants; and
- 3. To Federal, State or local agencies for administering cash or non-cash income maintenance or health maintenance programs.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notices (SORNs) 60-0089, entitled Claims Folders Systems; 60-0090, entitled Master Beneficiary Record; 60-0320, entitled Electronic Disability; and 60-0103, entitled Supplemental Security Income Record and Special Veterans Benefits. Additional information and a full listing of all our SORNs are available on our website at www.socialsecurity.gov/foia/bluebook.

Paperwork Reduction Act Statement

You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 10 minutes to read the instructions, gather the facts, and answer the questions. **SEND OR BRING THE COMPLETED FORM TO YOUR LOCAL SOCIAL SECURITY OFFICE. You can find your local Social Security office through SSA's website at www.socialsecurity.gov. Offices are also listed under U. S.
